

Masting the Art of Feedback: Building Stronger Workplace Relationships Design Document

<i>Business Purpose</i>	The purpose of this training is to help professionals at all levels strengthen their communication and leadership skills through effective feedback. By mastering how to give and receive feedback, participants will enhance collaboration, build trust, and improve overall team performance. The course provides a structured approach using proven models such as the SBI (Situation–Behavior–Impact) model and a five-step feedback process.
<i>Target Audience</i>	This course is designed for professionals at all levels—individual contributors, managers, and executives—who want to develop stronger workplace relationships and communication skills through effective feedback.
<i>Training Time</i>	Approximate seat time: 60 minutes
<i>Training Recommendation</i>	It is recommended that this course be used as part of a larger leadership development or communication skills curriculum. Learners should take this course prior to or alongside coaching and performance management modules. This course is best delivered asynchronously in Articulate Rise 360 to support flexible, self-paced learning.
